Don't waste your money or your time

By Sherrie bast

I would not recommend this book to anybody for any reason. The recipes are neither healthy nor interesting. Calling for ingredients like Tang, cream of mushrooms soup (repeatedly) and cool whip, this book would have to be improved significantly to be considered merely disappointing waste of time and money. I gave the book one star because the option of negative stars was not available.

Great ideas for potlucks

By Jonquille B. De Chantal

Some of these are old Adventist favorites, and some are new-- lots of good, quick potluck options! You must be familiar with Loma Linda and Worthington veggie meat products to get full use of this book.
