AN INFATUATION BY JENNIFER LYNDON PDF

Lise Cabot has it all. A successful realtor in Aspen, Lise is married to her high school sweetheart and is the mother of two great kids, Michael and Candace. To her two closest friends, Kitty and Cheryl, Lise's life appears ideal, until her husband Scott is passed over for the partnership in the architectural firm where he works. At the party to welcome her husband's new boss, a woman she's determined to despise, Lise meets Juliana Rhodes. The attraction is immediate and unsettling for Lise, sending her perfectly balanced life into a tailspin.

I enjoyed it.

By A.J.

I came to this book with no expectations. Never heard of the author and no reviews. Had I not read everything else out there, I might not have tried it. I'm glad I did. I appreciated that it was of significant length as I'm not a fan of what seems the current trend of cranking out very short titles. The writer has an easy style that flows well. The characters are believable and likable. The story arc is believable and moves well. All in all, I think it's a great effort. If I have any criticism, it's that the dialogue narrative structure is a little strange, and could have and should have been corrected in editing. Descriptive elements seem misplaced and make it hard to follow otherwise enjoyable dialogue. Still, certainly worth a read and better than a lot of what's out there. I look forward to more from this author.

Surprisingly good

By Sue

"An Infatuation" was a pleasant surprise to read with believable characters and storyline. Elise doesn't expect to like her husband's boss let alone fall in love with her. The story moves along at a good pace and the ups and downs between the characters are realistic. What is also good is that the author doesn't weaken the characters resolve to work through the obvious hiccups on the way. They don't become snivelling and irritating which does happen in books with similar themes. I also agree with a previous reviewer that the size of the book was also gratifying. Worth reading and looking forward to some more from this author.

WOW!

By G. Smith

This book is one of the best books I have ever read in the Lesbian genre. I read it in one day and turned around and read it again the next day. I missed the characters even after reading it the second time. Having major withdraws from this story. There IS such a thing as instant attraction and it is perfectly described in

this story. LOVED IT. BUY IT. I really would love a sequel to this story. I really hope Jennifer Lyndon is writing another book???
