La "biblia" del Atleta Natural

By R. Hernandez

Este libro es verdaderamente la "BIBLIA" para todos aquellos que quieren conseguir los mejores resultados en su entrenamiento y dieta sin tener que pasar por "la aguja", ni los farmacos, ni las rutinas y las dietas de los campeones de toda la vida que las unicas soluciones que te proporcionan siempre son hacer mas ejercicios, comer más arroz y pollo y entrenar todos los dias o mejor incluso mas veces cada dia.. si es que no te recomiendan meterte "algo", que naturalmente te venderán ellos mismo para que no te sea incomodo encontrarlo...

Gracias a este fantástico libro he conseguido enamorame de las pesas y he transformado finalmente mi cuerpo consiguiendo una salud inmejorable. Lo mejor de todo es que con el BIIO he logrado todo esto dedicando al gimnasio no más de 6 entrenamientos AL MES!! Parece un "slogan de teletienda" pero es la cruda realidad!! 6 entrenamientos al mes para alcanzar tu máximo potencial genetico....

Un libro sin precedentes que te hace preguntar de verdad que diablos estabas haciendo antes.....

¡¡Recomendando 1000%!!
