BLACK & SINGLE BLUES BY DWIGHT HOBBS PDF

You think finding the love of your life is hard? Try keeping her. Keith Jackson is a world-traveled guitarist in great demand, with legions of ladies along the line. He crosses paths with Lesli, a woman who wondrously stops his life dead in its tracks. Just about the time it looks like they're headed for happily ever after, everything goes to hell in a hand-basket. Now he has to figure out how to hold on to the best thing he's ever had. Get the book that former LA Times critic Dan Sullivan and Faith Sullivan call "A page-turner. Chick-lit with an edge, from the male perspective."

Good Stuff!

By MystNoir

With snappy dialogue, plenty of humor, and characters that jump off the page, Dwight Hobbes deftly paints a

realistic portrait of a modern romance and all the joy and heartache that goes along with it. When New York based musician Keith meets librarian Lesli at a party in LA, sparks fly. Soon the two are involved in a long distance relationship. Though their attraction is intense, and Keith quickly realizes Lesli is like no other woman he's ever known, their relationship is not a smooth one, even after Lesli moves across the country to take a job in New York. Hobbes does a great job of creating two flawed individuals who despite their passion and love for each other can't quite make it work. Between quirky Lesli's volatile temper, and laidback Keith's reluctance to take things to the next level after almost two years of dating, the relationship inevitably comes to an end. Lesli is heartbroken while Keith is left wondering how it all went wrong. Unlike most romances that are told from a strictly female perspective, *Black & Singles Blues* is told through Keith's uniquely male perspective, which makes for a refreshing change. As a result, readers will be anxiously flipping the pages to see if Keith and Lesli can overcome their issues and find a way back to each other. Hobbes is a hell of a writer and a talent to watch.

Hobbes is a wonderfully talented author and fills the page with his charm ...

By Liz DeJesus

Black & Single Blues is the story of world class musician Keith Jackson and his tumultuous relationship with a woman named Lesli. Mr. Hobbes is a wonderfully talented author and fills the page with his charm and wit as he tells Keith and Lesli's story. The novel is from Keith's point of view and it's definitely interesting to see things through his eyes. One of my favorite scenes was in the very beginning where he first meets Lesli at a party and he tries to help her stand up. I look forward to reading more of Mr. Hobbes' work.
