I may not need to take Spanish 104

By Carolyn

I just finished a Spanish 103 class. The pages in the book we used tore easily. I needed a book that I could carry around to periodically review what I'd learned. This book is perfect. It covers what I learned in class and it presents a lot of new vocabulary and grammar in an interesting manner. Plus, it's sturdy and compact; easy to do exercises in a small amount of space. When I'm done, I'll definitely be prepared for Spanish 104.
