# EXILE (THE OUTCAST CHRONICLES BOOK 2) BY DANIELLS ROWENA CORY PDF

Slowly losing himself to madness, King Charald has passed his verdict on the mystic Wyrds: banishment, by the first day of winter. Their leader, Imoshen, believes she has found a new home for her people, but many are still stranded, amidst the violence and turmoil gripping Chalcedonia. A reward is offered for their safe return, and greedy men turn to abduction.

Tobazim arrives in port, to ready the way for his people, and finds their ships have been stolen. Sorne, the king's halfblood advisor, needs to find his sister and bring her to safety. Ronnyn and his family, living peacefully in the wilderness, are kidnapped by raiders eager for the reward.

Whether the ships are ready or not, the Wyrds must leave soon; those who remain behind will be hunted down and executed. Time is running out for all of them.

Epic, fascinating and riveting

By LeaCTaylor

As second books in a trilogy go, I normally consider them to be the least interesting, because they're carrying on from the excitement of beginning a new series and leading into the conflicts of the third book. Not so with Exile. The characters and situations set up in the first book are followed through with no decrease in tension, and the final pages involve a twist that made me cry out on a crowded train. It was excruciating to wait the two weeks between this book and the next, but since all of the books are available now, what are you waiting for? :)

An amazing thrill ride that left me with literary hangover!

By Amazon Customer

Wow! I read the series in succession and I was breathless the entire ride. I could not put them down. I love the characters Sorne and Imoshen. Very well developed story and characters. My only criticism would be Ms Daniells has not written more books in The Outcast Chronicles!

An entertaining series.

By Amazon Customer

I enjoyed reading this entire series. I look forward to her writing additional books that will continue to follow these characters. I found myself looking forward each evening to reading these books to find out what would

happen next. Always a sure sign that I like a book.
