"I just love this book (Footprints Along the Shore of an Incoming Tide). I love the artwork on the cover and every word within. What spirited high consciousness! In one breath, this work lifted me up and at the same time kept me down to earth. I love how his writing combines opposites and how his beautiful wisdom comes through and often caught me unaware. This is a book to refer to time and time again." --Gloria Wendroff, author of "Author, Heavenletters, Love Letters from God, Book One" (Iowa)
