The Foundations of Democracy Series consists of curricular materials for students from kindergarten through twelfth grade on four concepts fundamental to an understanding of politics and government: Authority, Privacy, Responsibility, and Justice. This multidisciplinary curriculum draws upon such fields as political philosophy, political science, law, history, literature, and environmental studies. The Authority curriculum helps students # distinguish between authority and power # examine different sources of authority # use reasonable criteria for selecting people for positions of authority and for evaluating rules and laws # analyze benefits and costs of authority # evaluate, take, and defend positions on the proper scope and limits of authority The Privacy curriculum helps students # understand the importance of privacy in a free society # analyze the benefits and costs of privacy # evaluate, take, and defend positions on the proper scope and limits of privacy The Responsibility curriculum helps students # understand the importance of responsibility in a free society # analyze the benefits and costs of responsibility # evaluate, take, and defend positions on how conflicts among competing responsibilities should be resolved # evaluate, take, and defend positions on personal responsibility The Justice curriculum helps students # understand and apply the basic principles of justice set forth in fundamental documents of our political and legal systems # consider fair distribution of the benefits and burdens of society # consider fair responses to remedy wrongs and injuries # consider fair practices for gathering information and making decisions # evaluate, take, and defend positions on issues of justice
