Pat Kirwan's best-selling *Take Your Eye Off the Ball* was a football fan's undergraduate education. The *Go Deeper* series of books from Pat and Real Football Network is a master's class in understanding the finer points of playing particular positions. We launch the series, of course, with the most important position in sports: quarterback. *Go Deeper: Quarterback* includes chapters on: • Understanding the utility of mobility (dispelling the myth of the dual-threat quarterback) • The most important tools and traits required to play the position • A look at the mechanics of throwing the football • How to read a defense pre- and post-snap and call plays designed to beat a particular coverage • How offenses evolve to maximize a quarterback's matchups • Situational execution (two-minute drills, red zone) • How teams need to address all quarterbacks on the roster and the strategy behind finding the appropriate backup The book also includes exclusive play diagrams that will help fans understand their favorite game like never before!

By Amazon Customer

This is more than I ever expected to learn about the complexities of being a QB in the NFL. Had to read through sections a few times before it sank in. Some of the formations drawings could have been more clear, but the details are excellent. I have a whole new appreciation for the QB position.

Great read.

By Brandon L. Simmons

This book is very detailed & I'll strongly advise it to anyone thirsting for QB football knowledge.

PS tons of meat in this book!

Five Stars

By John MACEWEN

Great inside look at the position. If you like football this is a book for you.
