Five Stars

By Amber Fua

Brand new. Just as described.

8 of 8 people found the following review helpful.

great study of Neal Schon and Journey guitar work

By Doc Shred

I've been a big fan of Neal Schon's guitar prowess and Journey's AOR radio-friendly rock for many years. As a guitarist, I love Neal's soaring, fluid, effortless yet powerful style. He is a true guitar hero, sometimes overshadowed by the pop leanings and power ballads of his band. If you're looking to explore the guitar techniques and absorb the well-crafted chords of some of Journey's biggest hits, this is a great book. Like all of the Guitar Anthology Series books I have seen, this is accurate tab with clear layout in an easily read format.

0 of 0 people found the following review helpful.

Journey Anthology Guitar Tab is Extremely accurate.

By guitar lover

I am very happy with the purchase of this book. I am a big fan of Journey and always have loved the guitar genius of Neal Schon. The tab is extremely accurate and has unlocked every blazing fast note of Neal's guitar solos.
