A fun place to vent

By Amazon Customer

Some days you just need to vent about the people you've had to deal with all day to feel better. This is a great place for that! The quotes in this make me laugh with how true most of them are, and I know this will be a well used journal :)

Brilliant gift for the person who knows everything better. Sense of humor required. Why do I see Larry David in my mind when I flip through these pages? Oh, yeah.. he IS quoted...
