Cookies for Breakfast, Lunch . .

By Rabid Reader

Actually, I love this because my daughter, who unlike me can bake, makes cookies from it and I get to eat them.

Most recently she did the Marble Cookies and they are....gone.

The instructions are clear, every recipe has a photo, and there are even some recipes for goodies other than cookies. Yes. Yum.

i loved it

By mary morrison

Try the marble cookies, they stay soft and have a great flavor. I recieved rave reviews on all of the cookies I made this Christmas. Great book to add to your collection
