New Zealand Culture

By Wayne Bokum

Designed to be a handy pocket guide, this small book provides general, though not particularly detailed information for anyone who is traveling or emigrating to New Zealand. If you are looking for a brief overview of NZ customs and culture, you should find this book helpful.

Great intro to New Zealand

By S. Briggs

I just recently finished reading this little book, and I definitely recommend it to anyone who doesn't know much about NZ. It is indeed a "quick guide" but it has a surprising amount of information packed into a few pages. My only "complaint" is that the author doesn't mention any negatives--I'm willing to believe it's a wonderful place, but there must be SOMETHING less than fabulous about it. All in all, it was worth the purchase.
