Great simple strategies for drawing nearer God and enjoying our time with Him while being obedient Christians.

By allgirl

This book changed my life by improving my private time with God. Everything from studying the Word to praying to walking our talk. A straight-forward guide that is easy to understand, and a pleasure to read. I think this should be on every Christian's book shelf - not to collect dust, but to be read again and again! I've given it to several friends who have expressed a desire to be improve their spiritual disciplines or to be more devoted to their prayer or meditation time. This book breaks it down and it just works! I went from a feeling of overwhelm to a feeling of peace, just by spending time in this book each day followed by putting his suggestions into action.

I have been very blessed by this book. MacDonald's insight always met practicality, in a way that I could apply almost every page to my life. I only gave 4 stars, as he presents an biblical portrayal of the Sabbath. Our loving Creator, God, chose the day and the frequency of our rest, knowing from the beginning of time that it was the ideal. Indeed, God created the seventh day Sabbath for all man to keep their private world in order by staying directly rested in Him. Jesus says, that He will give us peace and rest, Matthew 11:28-29,

and John 14:27. Take faith in that, and be sure to rest as God instructed, and your private world will experience more order and peace than ever before.
