The Titillating Conclusion!

The voluptuous ninja girls in training at Hanzo National Academy are in rough shape. Hibari has willingly defected over to their evil Hebiko rivals, taking with her an ancient scroll detailing powerful ninja skills. The Hebijo girls were already nearly impossible to defeat, but how can our heroines hope to prevail when one of their own has joined their ranks?

Will Asuka's indomitable spirit be enough to save her friend and recover the lost scroll? Find out in the thrilling final volume of Senran Kagura: Skirting Shadows!

A Decent Conclusion To A Fun Series

By S William Miku

Senran Kagura started as a niche 3DS game that exploded instantly in popularity, due in part to its focus on sexuality. (If you abhor sexuality, innuendo, and suggestive humour, this franchise isn't for you.) Since its debut in 2011, Senran Kagura has had sequels on two other platforms, and has been adapted into anime as well as manga. The game, the anime, and the manga tell roughly the same stories, but the ending is arguably the point which they split apart the most. The game had a great ending, the anime had an epic ending, and the manga, with this book, ended, well, disappointing. Without giving much away, it felt incomplete. Most loose ends were tied up, but not all. However, it does a good job at wrapping up the manga, which, all-in-all, was a fun read. Maybe this doesn't quite deserve four stars, but as a manga series, Senran Kagura does, and no part

of it deserves one star, especially for such a lame excuse as the price being too high, when each volume is only around ten bucks.

Good in spite of the sudden cancellation.

By KE

The manga adaptation of Senran Kagura got cancelled. This volume hurtles the series towards a conclusion at maximum speed so that it doesn't leave off on a cliffhanger, but the sheer size of the original story means that it was guaranteed to end up being rushed no matter what. While the frantically paced ending leaves something to be desired, there is still a lot of worthwhile content in this volume. The panel layout and artwork remains extremely dynamic, the characteristically erratic tone that swaps between life-or-death drama and goofy character humor seemingly at random is still present, and there are some excellent chapters dedicated to Yagyu and Hibari's backstories.

best Volume yet !!!

By DEATHWISH1988

after reading and enjoying this awesome 3rd volume it was really worth the wait and totally worth my time as i found that its scenarios and story telling of the final stretch of the story different from the BURST game & even the anime .

also this volume has the most action sequences compared to the last 2 volumes and this also has some fresh funny sexual innuendo parts ( HELL YEAH for the part of Ikaruga with the eel's ) .

also amazingly the 2 bonus chapters for both Yagyu n Hibari is what made this volume so unique , hopefully i wish Takakaki San can make even more unique stories of the girls like Homura and her crimson squad in new stories not based on the games cuz i swear in the games , anime & OVA there chemistry is soo unique and are the most entertaining of the bunch and there like a family ( god i love Hikage ) .

loved this manga ALOT !!! .
