Review

KIRKUS REVIEW Even better than its predecessor, a sequel that delivers nonstop thrills from beginning to end. (STARRED REVIEW)

Triumphant after her defeat of the Man in the titular Black Cloak in her 2015 debut, Serafina cannot rest on her laurels for long: a new, mysterious evil force has entered the woods and set its sights on the Biltmore Estate. Serafina has slipped into a comfortable routine at Biltmore. The odd-looking girl learns the ways of catamounts from her shape-shifting momma while continuing her cozy home life with her white adoptive pa, enjoys friendship with Braeden Vanderbilt, and maintains a vermin-free environment as Chief Rat Catcher. Suddenly, as a new terror surfaces in the woods, three strangers appear: a snooty British girl named Lady Rowena Fox-Pemberton, the scarred investigator Detective Grathan, and a terrifying gray-bearded man with a twisted staff. On the mountain, all the birds have fled, other animals have gone missing, and sticky black pinesap oozes from the trees. While Mr. Vanderbilt cooperates with Detective Grathan and Braeden entertains Lady Rowena, Serafina must unravel the mystery before all the animals disappear. Beatty delivers an action-packed, suspenseful, emotionally resonant sequel. Serafina's resilience and determination inspire and rally the other characters. Beatty continues to build a fascinating magical world, the Blue Ridge Mountains and Biltmore Estate developing beyond mere settings into characters themselves. Each place reveals history and clues to Serafina's life and those of other gifted, mysterious beings. Even better than its predecessor, a sequel that delivers nonstop thrills from beginning to end.

GEEKDAD - Review from Andrew Terranova As much as Serafina learned about herself in the last book, she still has more to learn. There are new surprises and bigger, badder villains. Friendships forged in the first book will be put to the test while new and exciting relationships force Serafina to push herself even further. It is a story about growing up and really coming into one's power as an individual. As with the original book, this story is aimed at young readers, but I found it thoroughly enjoyable as an adult. Beatty has created original story lines with a unique heroine, colorful background, strong characters, and plenty of surprises. I highly recommend both books, and I'm confident the third book will keep us all just as riveted.

GOODREADS "I enjoyed this book even more than Serafina and the Black Cloak! ... I enjoyed meeting the new characters and I really loved Serafina's growth and character development!" --Paula "Serafina fans won't

be disappointed with Beatty's storytelling, which pulls the reader in at the first chapter. Beatty introduces several new characters as Serafina encounters a new mystery and discovers more about her parents. We learn more about Biltmore's history as Serafina tries to save the estate from destruction. Middle grade readers will devour this novel and wait in anticipation for the third Serafina book!" --Kirsten

From the Author

Readers: Thank you so much for your warm and encouraging reception to "Serafina and the Black Cloak." I can't wait for you to read the sequel!

About the Author

Robert Beatty lives in the Blue Ridge Mountains of Asheville, North Carolina with his wife and three daughters who help create and refine his stories. He loves to explore the grand Biltmore Estate and the darkened forest trails where his novels take place. Mr. Beatty's Disney-Hyperion novel "Serafina and the Black Cloak" became a New York Times Bestseller the first week it was launched and remain on the list for 20 weeks. He writes full-time now, but in his past lives, he was one of the early pioneers of cloud computing, the founder/CEO of Plex Systems, the co-founder of Beatty Robotics, and the chairman/CTO of Narrative Magazine. In 2007, he was named an Entrepreneur of the Year. When asked about the inspiration for his book, Robert said, "Serafina's journey grew out of my desire to write a story about an unusual and heroic young girl for my three daughters."

SERAFINA AND THE TWISTED STAFF (A SERAFINA NOVEL)

BY ROBERT BEATTY PDF

Filled with history, mystery, and magic, this Disney-Hyperion novel debuted as #1 on the New York Times Best Sellers List. Be sure to watch the exciting book trailer in the media section below.

Serafina finds herself caught between two worlds: she's too wild for Biltmore Estate's beautifully dressed ladies and formal customs, and too human to fully join her forest kin.

Late one night, she encounters a strange and terrifying figure, and then she's attacked by the vicious wolfhounds under his control. Even worse, she's convinced that the stranger is not alone, that he has sent his accomplice into Biltmore in disguise.

A mysterious series of attacks test Serafina's role as Biltmore's protector, culminating in a tragedy that tears Serafina's best friend, Braeden Vanderbilt, from her side. Heartbroken, she flees.

Deep in the forest, she comes face-to-face with the evil infecting Biltmore--and discovers its reach is far greater than she'd ever imagined. All the humans and animals of the Blue Ridge Mountains are in terrible danger. For Serafina to defeat this new evil before it engulfs her beloved home, she must search deep inside herself and embrace the destiny that has always awaited her.

Robert Beatty does it again!

By E. Parker

I found this series last November, my family and I were planning a trip to Biltmore and Serafina and the Black Cloak came up in a search I did looking for books about Biltmore. I read the book straight through in one evening because I could not put it down! The writing/storytelling style took me back to my childhood, when my dad would tell me bedtime stories. Not only was the story thoroughly enjoyable I loved the insight that it gave into the house, reading the book and then touring the house made the story come alive even

more. I applied for the SART (Serafina Advanced Reading Team) and was blessed with an advanced copy of the sequel. It's sequel, *Serafina and the Twisted Staff* took me on a magical journey back to Asheville, NC with characters that I love and a surprise twist that I never saw coming. In *Black Cloak*, Serafina discovered the mystery of who she was but as you'll read in *Twisted Staff*, she wasn't quite finished coming into her own. This book combines self-discovery with the power of friendship and the important life lesson of facing your problems and not running away from them. In *Twisted Staff* Serafina makes new friends, and enemies; meets with disaster and triumphs in the end; finds her own power, and recognizes the power of her friends. Robert Beatty is an absolute master of his craft combining fantasy with reality and fact with fiction. There's never a dull moment, and I truly felt that I was right there in the story and not just a subtle observer.

PAGE TURNER!

By Michael

I had the opportunity to be a part of an "advanced reader" group and cannot say enough good things about this book! I was so excited to get to continue the story of Serafina, which I was completely taken in by in "Black Cloak". This book DEFINITELY does not disappoint. It is a total page turner! I realize this is a young readers book and I am a 30-something, but I really feel like it has no age limit. It's entertaining and highly suspenseful. The continuation of Serafina's personal story along with a new adventure were excellent reading. Robert Beatty has done a great job in continuing this saga and I CANNOT WAIT for the 3rd installment. If you liked the first one, I would be HIGHLY surprised if you did not LOVE this one. Serafina has really grown and started to come into her own.

Dazzling and magical...will enchant both the young and the young at heart

By FLYLe?F Reviews

Original Post: *Serafina and the Twisted Staff* (*Serafina 2*) at FLYL?F (reviews.flylef.com)

IT COSTS ME twice as much to read *Serafina and the Twisted Staff*. I purchase one copy for myself, and one copy for my Goddaughter (who is also my niece). But, ssh. She doesn't know yet, unless she's reading this. In which case...SURPRISE, BABY GIRL!

In this dazzling and magical sequel, New York Times best selling author, Robert Beatty continues to weave an enchanting tale centered at Biltmore Estate, a magnificent and very real 250-bedroom mansion nestled in the forested mountains of Asheville, North Carolina. I was captivated by this heart-stopping adventure about thrilling secrets and dangerous mysteries—as a courageous Serafina embraces her destiny to overcome a darkness set into motion long before *The Man in the Black Cloak* (*Serafina 1*).

Despite the discovery of her origins, twelve-year-old Serafina finds herself lonelier and more confused than ever before as she struggles to find acceptance. With “large amber eyes, deeply angled cheekbones, and a shaggy mane,” Serafina is anything but ordinary. I felt her anguish as she is cast unwanted by those she loves because she doesn't quite fit in. She is too human to be safe in the forest with her catamount mother, and too wild to be with her human pa. Even her bond with best friend, Braeden Vanderbuilt, is tested to its limits.

Meanwhile as a conflicting Serafina tries to understand and embrace her two halves, a dark force is gathering at Biltmore Estate. A “tragedy” so great leaves a heartbroken Serafina fleeing blindly and deeply into the forest where she “comes face to face with the evil conflicting Biltmore.”

With a plot that is as twisty as its predecessor, this sequel kept me engaged in Serafina and Braeden's adventure, even as it sets forth many more new mysteries. It is written in a way that explores nuances and yet speaks quite plainly—a marriage that will enchant both the young and the young at heart, including me and

my Goddaughter.
