SKYLAR (THE LOVE FAMILY SERIES BOOK 1) BY KATE ALLENTON PDF

Shop owner Skylar Love and her family have lived on the same island her ancestors discovered several centuries ago. Her life isn't perfect, but it's hers. After dumping her lying, cheating boyfriend, she isn't surprised when her brother tries to bribe their best friend to take her out on a pity date. When she finally agrees, her life turns on a dime.

Multimillionaire Luke Tanner made his fortune in New York, building his pharmaceutical company from the ground up. With an upcoming birthday and a longing to return to the one place where he can be himself, he goes home to Love Island to find the family and friends he left behind. His best friend's sister, Skylar Love, has always been off-limits, an unspoken code between friends. When he gets home to find her all grown up and single, he knows it's time he stepped up his game before someone else snatches her up.

With plans to build a lab on the Island and move back home, he finally talks her into a date. When the date goes south and someone tries to kill them both, winning her heart takes a backseat to keeping them both alive while they figure out the mystery of who's behind the threat. Her gift of seeing colored energy is the only way to keep them alive, and she'll risk more than her heart to keep the people she loves safe. She'll risk her life.

Skylar is such a wonderful story. It had everything

By Laura

Skylar is such a wonderful story and it has everything you could want. Fast paced, numerous twists, strong characters, danger, romance and love. Without giving the story away let me just say, Kate Allenton's writing, puts you into the character's world, and you want to remain in their world. The characters are so endearing you don't want the story to end. The great news is this is the first book in a series, so you have hope that you will see all the members of the "Love" family again.
