jeffery archer books

I have been a Jeffery Archer fan since his first book. They are all written so well. It takes only a page or two to be hooked. I bought The First Miracle the Christmas it came out. It is always on my den table at Christmas. I read this book at least once every Christmas. It still gives me the same thrill as it did the very first time. This year I bought two of these books to give to friends. Thanks Amazon and Mr. Archer for making a brighter Christmas!

Wonderful rendition

By Pat Roseberry

This story true to Jeffrey Archer style is a delightful version of the Birth of Christ. At the same time it takes nothing away from the true nature of the event.
