God has begun to reveal the truth about the End Days and the Rise of the Islamic Antichrist, whom the Muslims call Imam Madhi. In this book we will show conclusively that only Islam can fill the role of the Antichrist. You will be shown how Islam is trying to revive its Islamic Caliphate in the Middle-East, which perfectly fulfils the role of the Biblical Empire of the Beast. And also how Islam is planning to create a New Islamic World Order, through Global Jihad, which will begin with the conquering of Jerusalem. We'll compare Muslim tradition about the Last Days and Christian end time scripture, only to discover some shocking revelations, that have remained hidden until now, which will tear the veil and mystery off the end days for good. Finally you'll discover what the Real Mark of the Beast is, and how it connects to 666. Even the book of Revelation has been made easy to understand.

Excellent portrayal of Islam's likely fulfillment of Revelation

By David Montaigne

I have been reading dozens of books related to my own research on the Antichrist and the end times recently - as I am working on my next book: Antichrist 2016-2019: Mystery Babylon, Barack Obama & the Islamic Caliphate. I had already read a book by the same "Islamic Antichrist" title Preacher uses (by Joel Richardson) and in this book the author (Preacher) repeatedly thanks Richardson for inspiration and insight - so I was worried that there might not be much new and original content. I was pleasantly surprised.

Preacher covers the same topics but with a unique view and interpretation. While I do not always agree with Preacher on specifics (I can't see Mecca as the great city of Mystery Babylon - unlike NY, which I interpret as M.B., Mecca doesn't rule all nations like NY does through the UN; Mecca is not symbolized by a woman; I can't see Muslims destroying Mecca; Jews are asked to leave the final Babylon in advance - and NY had 2 million Jews at peak, Mecca has had none; it isn't on waters, it doesn't dominate world finances like NY...) but without digressing too much on one topic - overall, I do agree that the parallels between Christianity's Antichrist and False Prophet line up well with Islam's Mahdi and Muslim Jesus... and that the end times religion Revelation teaches Christians to expect persecution and beheadings from Islam. Preacher is also one of very few Bible scholars who understands the central role of a Pole Shift during the end of the Great Tribulation.

This book is well worth the money, even after reading many other books on similar subjects.

Most Understandable End Times Translation

By Brad from Dallas

i have studied many interpretations of the End times events as the Bible describes.

This is the translation that makes all of the pieces of scripture and events seem to fit.

It is a must read for any Bible prophecy student that is looking for answers.

Wonderful, knowledgeable. Well written.

Would recommend this book to all, BIG and small. Very good possible eschatological summations and conclusions. Not dogmatic in presentation, but leaves some room for opposing ideas
