A Christian Classic for the 21st Century

By M. H. Walter

A.B. Simpson (1843-1919) was a man who saw reference to Jesus Christ on nearly every page of Scripture. He offers clear, practical, Biblical truths to believers who are starving for more of God's presence in their lives.

Some Examples: 1) Christ Our Passover - "God does not want us to be in continual unrest and self-reproof, but in quietness and confidence to trust Him to keep us pure and holy.' 2) Christ The Refiner - "The service of sanctified men and women is immeasurably more precious to God in its most trivial forms than all we can do or give when our hearts are swept by earthly passion or influenced by selfish or unholy motives."

This book is one of the best I have ever read

By Theophilus

This book is one of the best I have ever read. It helped me a lot in gaining a greater appreciation for the Lord Jesus, but in learning a lot of other precious spiritual truths as well. Some of these old authors have a lot more to say to the Church today than a lot of modern authors. I have other books by Simpson and Andrew Murray and others that are pure gold. We should take advantage of the wisdom and spiritual insight of these old ministers of past generations.

Great Devotional Read

By SR

A.B. Simpson has always, always, always been one of my favorite Christian authors. He is easy to read and his books have very practical and applicable life applications. This book reveals timeless truths about the many names of Jesus, but they go deeper into a fuller understanding of those names. It has definitely changed my perspective on our great Lord and Savior-and has changed my prayer life too! I would recommend this book to anyone who is seeking after a deeper walk with the Lord.
