By A Customer

"Yours Anne, The Life of Anne Frank" is about the life of the well- known girl Anne Frank. During World War II the Nazi's, ruled by Hitler, were on a rage to capture Jews of all ages and bring them to death camps, or what we know today as concentration camps. Anne and her family which consisted of her mother, Edith, her father, Otto, and her sister, Margot, were all Jews during this time which is now known as the Holocaust. On Anne's 13th birthday, she received a diary, which she was constantly writing in, she would write stories, the latest gossip, her crushes, or what was just going on in her daily life. But when Hitler's rage gets out of control, her family must go into hiding, in fear that they too, will be brought to a concentration camp. This hiding spot is known as "The Secret Annex". Can Anne and her family's hiding spot stay secret?
